LAUNCH **NODE VIENNA**

4. OGD D-A-CH-LI - Konferenz - Open X

24. Juni 2015, Wien

The Open Data Institute – The ODI (HQ, UK)

- **The Open Data Institute** is catalysing the evolution of open data culture to **create economic, environmental, and social value**. It helps unlock supply, generates demand, creates and disseminates knowledge to address local and global issues.
- We convene **world-class experts** to collaborate, incubate, nurture and mentor new ideas, and **promote innovation**.
- We **enable anyone to learn and engage with open data**, and empower our teams to help others through professional coaching and mentoring.
- **Founded in 2012 by Sirs Tim Berners-Lee and Sir Nigel Shadbolt**, the ODI is an independent, non-profit, non-partisan, limited by guarantee company.
